

# GLATTE INC.

## *Instrumentation for the Measurement and Control of Industrial Processes*

### Representatives For:

#### **INNOVATIVE FLOW AND PRESSURE SOLUTIONS**

Mass flow meters, mass flow controllers and pressure controllers.

#### **WIRELESS TEMPERATURE AND HUMIDITY MONITORING AND DATA LOGGING**

Servicing: food industry, health care, laboratories, building management, pharmaceutical, cold storage and environmental monitoring

The Original Machine Monitoring Experts

#### **INDUSTRIAL SPEED MONITORING SYSTEMS**

Speed switches, tachometers, motor controls and vibration monitoring.

#### **RECORDERS AND CONTROLLERS**

Single loop controls: 1/32 through 1/4 DIN, recorders, circle chart 1 and 2 pen ink or thermal, 100mm strip or paperless, custom operator interfaces and data acquisition software/PLC solutions.

#### **HEAVY/LIGHT DUTY SOLENOID VALVES**

Rugged dependable solenoid valves for liquid, gas and steam, Bronze cast and stainless steel.

#### **HEAVY DUTY SOLENOID VALVES**

Sizes up to 3", pressures up to 500 PSI for water, oil, gas and steam. Bronze and SS.

#### **INFRARED AND THERMAL IMAGING TEMPERATURE MEASUREMENT**

Non-contact, infrared pyrometers, hand held and fixed thermal imaging cameras.

#### **THERMOCOUPLES/RTD ASSEMBLIES AND THERMOWELLS**

Single and dual element sensors, 3A sanitary assemblies, precision grade 2 wire transmitters, accessories.

#### **PROCESS HEATERS**

High temp and standard cartridge heaters, high temp mica, MI band and belly band heaters, mica, ceramic and finned strip heaters.

#### **INNOVATIVE AIR HEATER SOLUTIONS**

Axial fan heater, crossflow blower heater, duct heater, flow torch, heat torch, cool touch heater and custom open coil heaters.

**WESTINGHOUSE/ILP LIGHTING**

High bay and customized solutions to any lighting application while reducing energy costs.

**PROXIMITY SENSORS**

Inductive, photoelectric and ultrasonic.

**SCADA CONTROLLERS**

Analog/Digital I/O, ladder logic and multitasking "C" programming, Modbus compatible, 2 wire RS485 networking for up to 255 nodes.

**EAGLE SIGNAL, RUSTRAK, DYNAPAR, VEEDERROOT**

Timers, counters, encoders and recorders.

**HANDHELD ELECTRONIC MEASURING EQUIPMENT**

Digital multi-meters, calibrators, clamp-on meters, humidity meters, pressure meters.

**LAB TEST EQUIPMENT**

PH, conductive, ORP meters and test equipment.

**SOLENOID VALVES AND MAGNETIC LEVEL SWITCHES**

Solenoid valves for most diverse liquid and gases such as water, air, steam, oils, refrigerants, Oxygen, Liquid Nitrogen and corrosive fluids.

**PRESSURE INSTRUMENTATION**

Pressure transducers, melt pressure measurement, pressure instrumentation.

**RECORDERS AND CONTROLLERS**

Single loop controls: 1/32 through 1/4 DIN, circular 10" chart 1 or 2 pen recorder with ink or thermal marking, 6 channel paperless strip chart.

7150 HART ST.

**Bill/Ship To Address**

Glatte Incorporated  
7150 Hart Street, A1  
Mentor, Ohio 44060 USA
